G.S. College of Commerce, Wardha, provides good lodging and boarding facilities to our outstation students at affordable cost. The students from various places from Maharashtra and neighboring states, who took admission in the college are provided with secure and homely environment for their academic as well as overall development.

The College Hostel was constructed in 1964 with the view to provide residential accommodation to the male students of our college whose parents are not residents of wardha.

The College Hostel has capacity of 25 rooms for the students along with food facility. A student who is admitted in the college for regular course of study will be

eligible for admission in the hostel and can take admission by filling an application form along with some other certificate as mention in prospectus.
