

➤ About Siksha Mandal

Shiksha Mandal, Wardha a century old Bajaj Educational Trust. The first education Conference in India 1937, which was presided over by Gandhiji, was hosted by Shiksha Mandal. It is an institution with a past and a future. Its greatest strength is its culture, which comes from being private institution with only a public purpose. It has been providing quality education at an affordable cost. It rejects the proposition that high quality can only come at a high cost. Shiksha Mandal is a meritocracy committed to excellence.

It is an institution that believes in and practices quality, values based education and it was recently awarded the "Ideal Educational Institution" Award of Nagpur University.

➤ About College

Govindram Seksaria College of Commerce was established at Wardha, on 14th July, 1940 under the inspirational guidance of Shri. Jamanalal Bajaj, the founder of Shiksha Mandal. It is the first Commerce institution to RTM Nagpur University which has the privilege of being inaugurated by Sardar Vallabhbhai Patel.

The well known Gandhian thinker Late Acharya Shrimmanarayan was its first Principal. In the freedom struggle of 1942, the Principal, Lecturers and Students voluntarily participated and

contributed whole heartedly. The college offers higher education in Management Science along with Commerce education. The college has produced quality students who have excelled at National & International level due to the extensive and excellent library facility, wide playground, highly qualified teaching staff and excellent teaching aids.

It carries a tradition of its own and the students who have sought admission to the college consider themselves fortunate to be a part of this college. The college reaffirms its commitment to mould minds, build character, shape careers and produce responsible and character affluent students. Under the able guidance, the college aspires to reach great heights and face new challenges

It is an institution that believes in quality, values based education and recently this institution ranked among the best colleges under 200(Rank-band) by NIRF-2017 Coordinated by Ministry Of Human Resource Development.

➤ About BCCA Department

Today with the rapid development of new IT technologies and electronic commerce, intellectual property for digital content has been an important issue. So for that our BCCA department strives for excellence in creating, applying and imparting knowledge in computer commerce through comprehensive education program, students' seminar and expert guest lectures.

G. S. College of Commerce, Wardha started BCCA program in 2003. Since then our department is

striving to maintain and expand our efforts across many areas and to give our students the best possible education. To achieve this motto our BCCA department is conducting this activity for the session 2017-18.

➤ About Seminar

The aim of this seminar is to review the current state of knowledge and to understand the biggest economic change that India is going to witness with the advent of GST. Even though this new tax system has been acknowledged as beneficial and advantageous in many ways, there are still some concerns regarding its successful implementation. If the GST implementation issues are not handled well, this new tax reform can have long-term effects on our economy. The IT infrastructure is the only way to track and then properly implement the emerging tax system. The seminar will help to discuss some IT issues that arise in the implementation of GST.

➤ The Seminar Will Cover

- Clarity on GST Provisions (Rules and Regulation)
- The complexities in rate of GST
- Infrastructure For The Collection Process
- Framework For Tax Disputes
- Implementation of IT Support and System
- Offline & Online software strategy & activities
- Digitalization in various government sectors

➤ Objectives:-

- To know GST is both a challenge and an opportunity for tax
- To focus on the Issues with the new indirect tax system
- To develop use of technological awareness in implementation of GST
- To create awareness about GSTN functionality
- To enhance online and offline strategies applied by the vendors

➤ Expected Outcome

The proposed seminar will allow the students to know about GST and to understand the updating systems of tax issues and complications that may come up as a result. It will help to enhance the knowledge of certain issues that are related to the implementation of this tax system.

➤ Rules for Seminar

- 1) Only one team can participate from each faculty/stream.
- 2) One team may have maximum two participants.
- 3) 8+2 minutes will be allotted to every team for Power Point Presentation (PPT).
- 4) Students should submit their CD and Hardcopy of paper at our college on the same day.

➤ Prizes

- 1st Prize Rs. 2501 /-
- 2nd Prize Rs. 2001 /-
- 3rd Prize Rs. 1001 /
- Two Consolation Prizes (Rs. 500 each)

No TA/DA: No T.A., D.A. will be paid for the delegates.
